

Praise Him,

**B**lessings in the name of our Lord and Savior , Jesus Christ. I count it all joy to have this glorious privilege to greet and welcome you to Resurrection & New Life Fellowship. **You are important to us**, and we want you to feel comfortable here.

Together we are praising God, and rejoicing over all the accomplishments the Lord has worked at our church. We have had some storms, but we made it by the help of the Lord. We are a church that believe that the spirit of God should have a free hand.

**R**egardless of race, religious or social background, everyone is important to God and Resurrection & New Life Fellowship. Our goal is to help you find the answers to your everyday challenges and a relationship with your loving, heavenly Father.

There's a two-fold ministry in our church and that is; to win the lost, and to preserve those that are won. The Bible says " He that winneth souls is wise" We are in a time at this very moment in the history of the church that we'd better take heed to that, that we try our very best, as saints, to preserve every one of God's people. We try to take interest in all our members, because there are some that are weak, indifferent and sick, but we want them to hold on.

Our desire is **to teach** you the Word of God, **to train** you to be the best you can be in Christ Jesus; and, in turn, **reach out** with the love of God to our city, our country,

and the world. It doesn't matter where you have been but it matters where you are going! As you worship with us, we pray that you'll experience the presence of God today and that the Scripture teaching will help you have a better tomorrow!

**P**ersonally, I want to welcome you to Resurrection & New Life Fellowship. I pray you find all your spiritual needs being met here. I will admit that this is a good church, but you must help it be what you expect from a church.

**A**s Pastor , I want you to always remember that I am here to help anyway I possible can, you have the church phone numbers, feel free to call at any time.

Yours for Christ,

Pastor

## GOD'S WINGS

An article in National Geographic several years ago provided a penetrating picture of God's wings.

After a forest fire in Yellowstone National Park, forest rangers began their trek up a mountain to assess the inferno's damage. One ranger found a bird literally petrified in ashes, perched statuesquely on the ground at the base of a tree. Somewhat sickened by the eerie sight, he knocked over the bird with a stick.

When he gently struck it, three tiny chicks scurried from under their dead mother's wings. The loving mother, keenly aware of impending disaster, had carried her offspring to the base of the tree and had gathered them under her wings, instinctively knowing that the toxic smoke would rise. She could have flown to safety but refused to abandon her babies.

When the blaze had arrived and the heat had scorched her small body, the mother had remained steadfast. Because she had been willing to die, so those under the cover of her wings would live.

"He will cover you with his feathers, and under his wings you will find refuge." (Psalm 91:4)

Being loved this much should make a difference in your life. Remember the One who loves you and then be different because of it.
